We, the members of the '68 FORESTER staff, dedicate this book to Mrs. Matlin because she has devoted herself to her school, her classes, and her students. She inspired better school spirit at Forest Hills by advising the cheerleaders and the new Pep Club. This year she sponsored the girls' volleyball team, a new sport at our school. Besides helping our school as a whole, her understanding nature helped us with our problems and her personality brought laughter to all of us with the aid of her Dr. West's tooth brush.

It is now with deep admiration and appreciation that we honor Mrs. Matlin in this way.

Coach Sponsky gives the practice squad a play.

. . . Charged to

Capitalizing on numerous Forest Hill miscues, the Mustangs subdued our Rangers. The lone Ranger tally was scored by Walt Michaels with Denny Mehall adding the placement. Central Cambria's lucky eleven stumbled to their first victory. Walt Michaels once again put the lone Ranger TD on the Scoreboard. Playing first class football, Forest Hills overpowered a highly-favored Golden Eagle team. Walt Michaels, Bill Law, and Don Bailey contributed to the Ranger score. Forest Hills, with the help of Don Bailey's two touchdowns, outlasted a fired-up Blue Jay team. Before a capacity crowd, the Rams ended our winning streak by squeezing out a victory in the closing minutes of the game. Bill Law and Don Bailey tallied for the Rangers. Our final drive was stopped on the three yard line by the clock. Forest Hills dedicated its Parents' Night by breezing over United. Touchdowns by Walt Michaels, Bill Law, Don Bailey, and Bill Matsko, along with Denny Mehall's four conversions set the final score. Plenty of first downs and long drives brought a victorious end to this duel with the Yellow Jackets. The Ranger tallies were scored by Don Bailey with Bill Law gaining 108 yards in ten carries. A 35-yard Matsko-to-Roberts pass and a 15-yard score by Don Bailey enabled Forest Hills to trim the Panthers. The tough Ranger defense stopped two Panther drives on the three yard line.

Milt Weaver won his JV match in the Somerset contest.

Mr. Bero's two-year old wrestling team is a group of hard-working athletes who have kept a persistent pace in spite of their many defeats. Duane Benton and Duane Toki scored the best records for the team this year. Both of them, along with Gary Coutts, Bob Pastovic, and Ken Zakraysek competed in the sectional wrestling tournament at Holidaysburg. Ken Zakraysek went on to the finals but was defeated. With the return of seven lettermen, the wrestling team hopes to have a more successful season next year.

Girls' Volleyball Team

In its first year of existence, the girls' volleyball team has well represented our school in the YMCA Volleyball Tournament held at the Westmont Rehabilitation Center. Mrs. Matlin, the coach, led the girls in many hours of exhaustive practice. Although the team started poorly by losing to Forbes by scores of 21-19 and 21-15, they completed the season with a fine record and brought home the second place trophy from the tourney.

Backstage, members wait for the fall induction to begin.

This year's officers are: Barbara Wolfhope, secretary; Miss Honadle, advisor; Pete Drobnak, treasurer; Gary Costlow, president; and Bill Law, vice-president.

Barbara Wolfhope is Forest Hills first National Merit Finalist.

National Honor Society

In two inductions this past year—one in October and one in January, the fourteen original senior members added twenty-two juniors and twenty-six seniors. The size of the National Honor Society was limited to ten percent of the Junior Class and fifteen percent of the Senior Class. New members qualified according to class rank and the teachers chose them by the qualities of character, scholarship, leadership, and service. Besides the two inductions, the male members played a basketball game against an all-star faculty team. The revitalized classic ended in a 30-23 victory for the teachers.

The Chorus Brought Vocal Music to Our School.

Mr. Gatty announces the next song at the Christmas Concert held at the junior high.

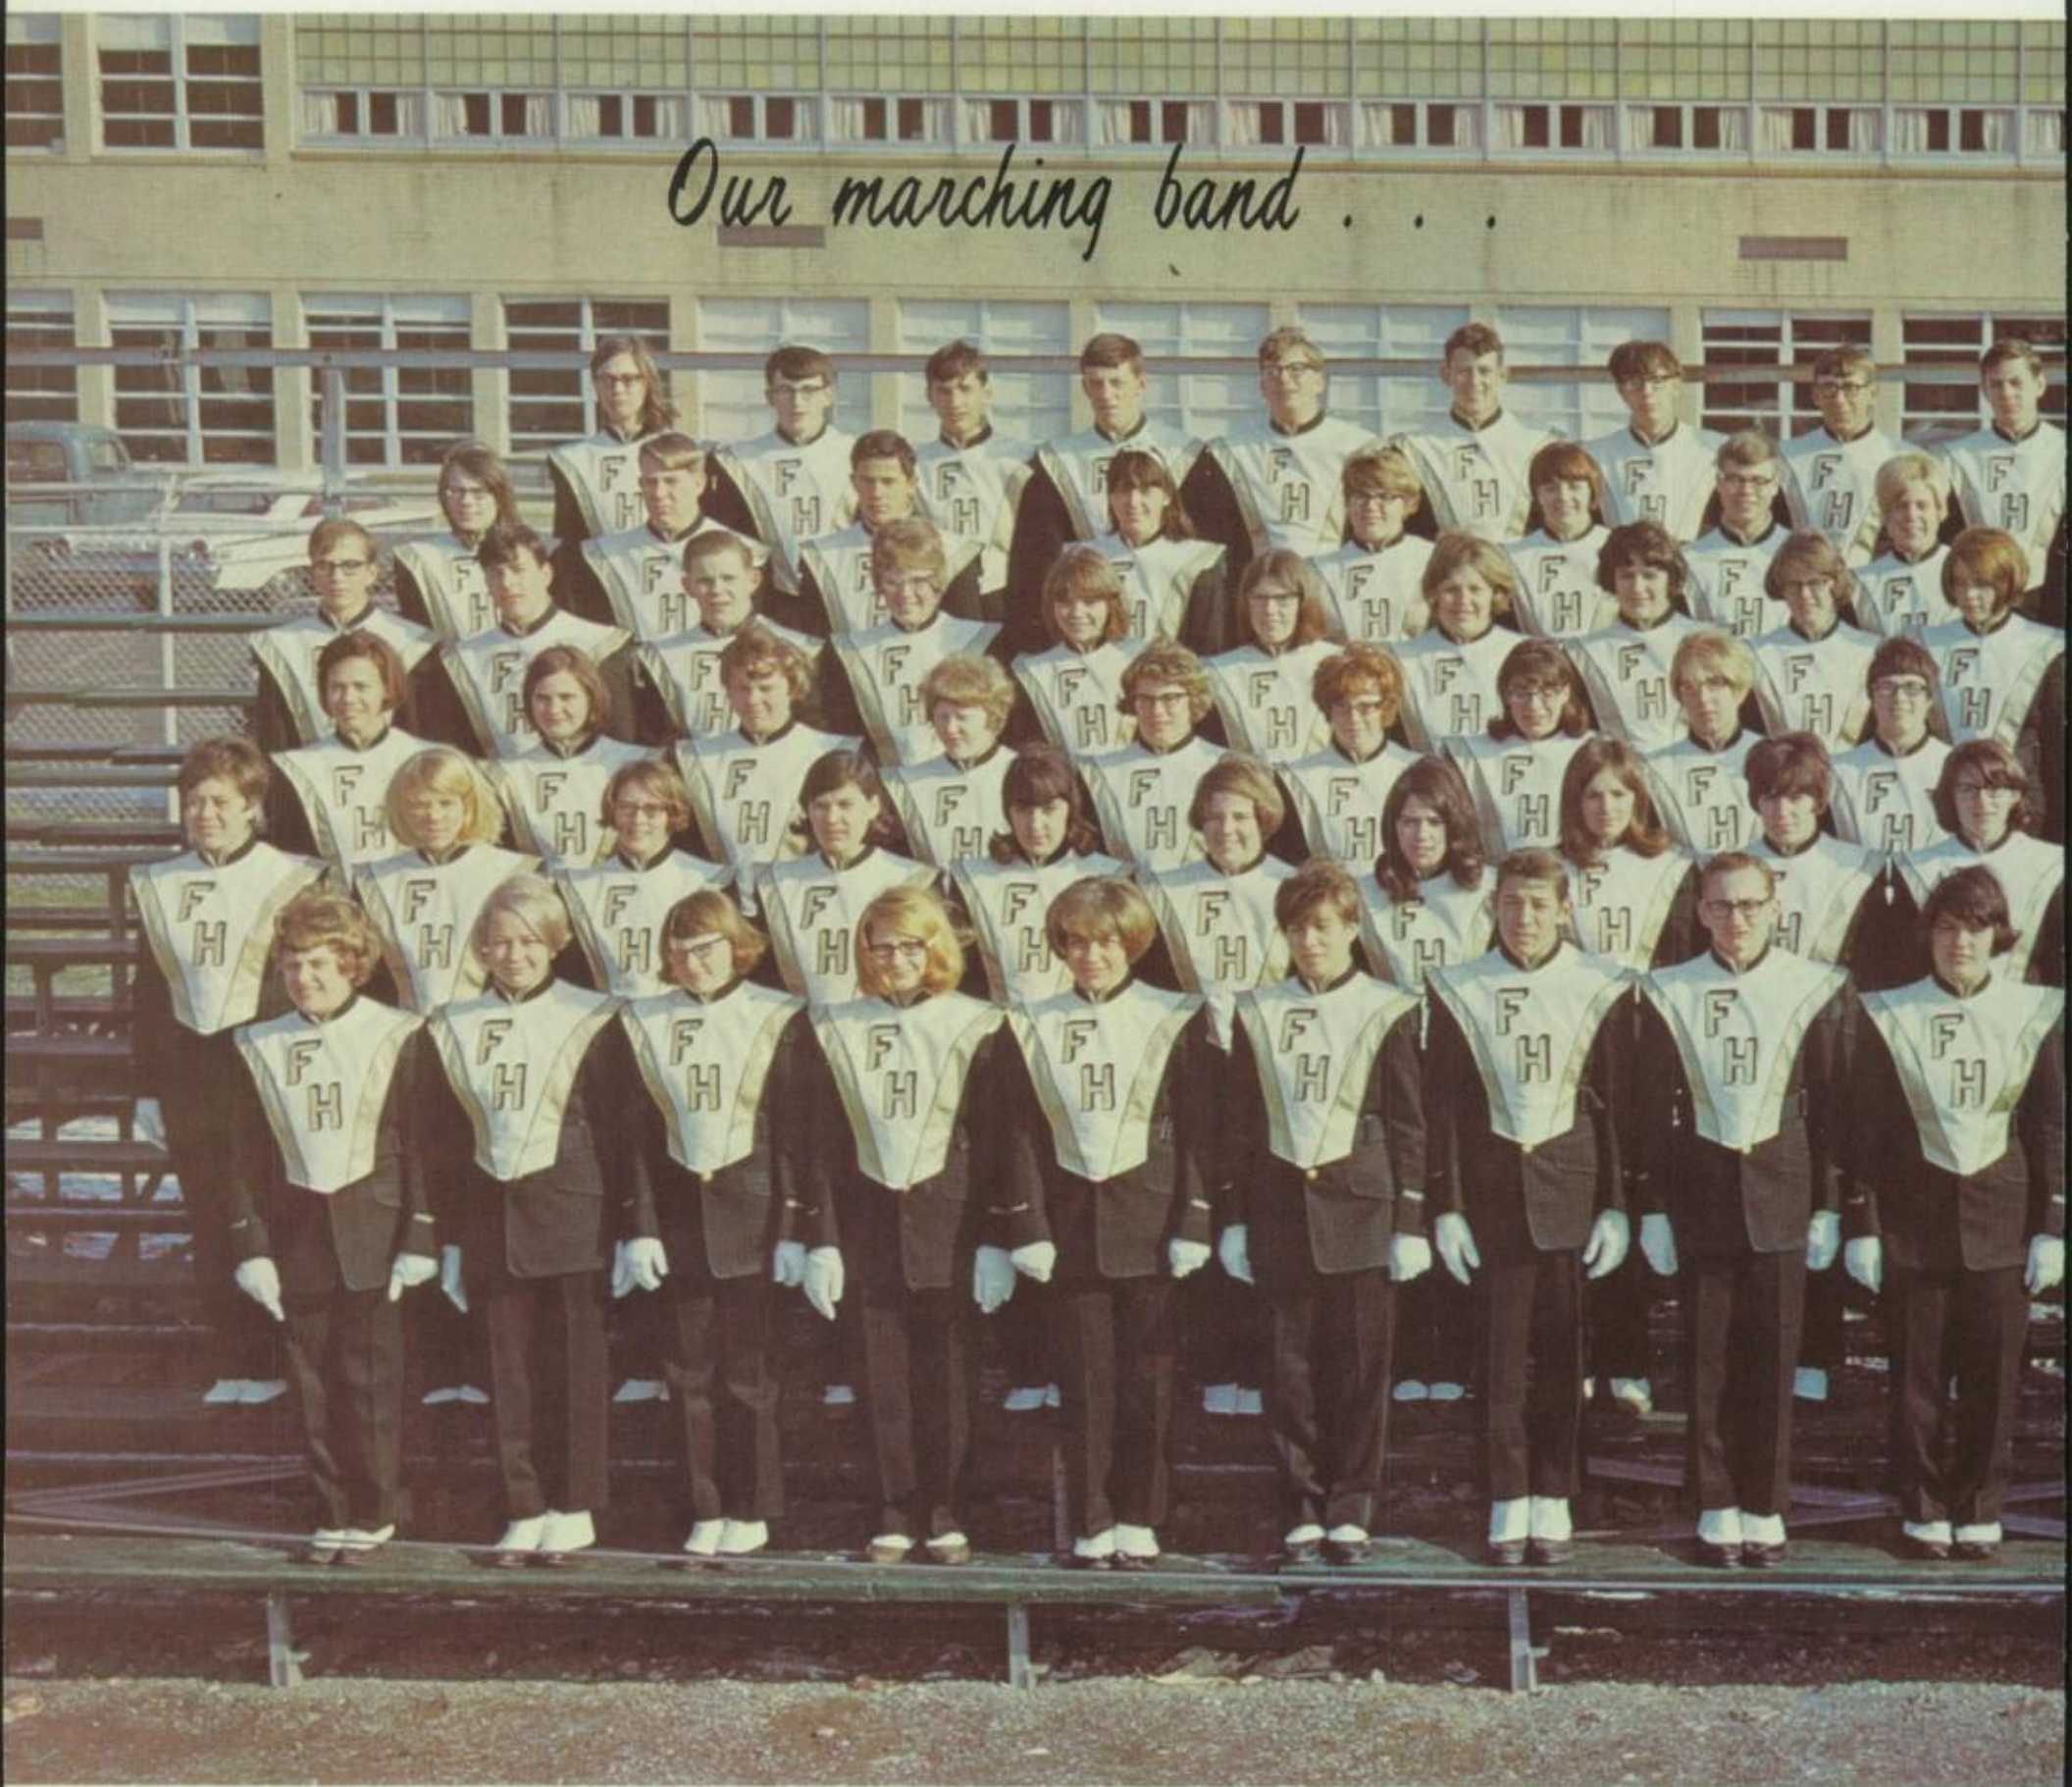

The Chorus this year consisted of 38 seniors, 41 juniors, and 41 sophomores. It was a busy year for the members with a Christmas Concert, Variety Show, and Spring Concert. In addition they recorded two songs—"The Mistletoe" and "What Child Is This?"—for Christmas. The record, played on all area radio stations, sold about 1,000 copies. Selected members of the Chorus and the stage band represented Forest Hills on WJAC's "Schoolmaster's Calendar." In February, six members sang at District Chorus in Somerset.

Our Cheerleaders Encouraged

Karen Jones

The twelve varsity cheerleaders did more than their share to boost school spirit at football games, basketball games, and wrestling matches. The squad was headed by Karen Jones and was advised by Mrs. Matlin. This year the girls wore new uniforms—green and gold pleated skirts and forest green sweaters with gold megaphone emblems. In November, fourteen new JV cheerleaders were chosen. They helped the varsity members at the basketball games.

Enthusiasm was the word for the Pep Club. Since its beginning during the latter part of the football season, the members were present at every football, basketball, volleyball, and wrestling game this past year. Under the leadership of advisor Mrs. Matlin and the cheerleaders they cheered and encouraged team members. During free periods, students drew signs for the football games, and basketball contests. To raise money for its projects, each member sold chocolate bars, and other candy.

Library Club

The recently organized Library Club, which is sponsored by Mr. Polasko, is primarily dedicated to the efficient utilization of our library resources. Each member voluntarily serves in the library to help other students find books for pleasure and reference books or magazines for research.

In order to raise money for its projects the club held a bake sale and sponsored a skating party.

The Humanitarian Club Helped Others.

According to its constitution, the two main goals of this club are to "promote unity and encourage loyalty." The Humanitarians carried out their purposes in many ways. At Christmas, members sent cards to local men fighting in Vietnam. Later on, they began their main project—supporting orphans through the Christian Children's Fund. With Mr. Polasko advising, the group held a successful sub sale, a Thanksgiving Dance, and a Valentine's Dance to raise money for its many activities.

The officers this year are: M. Zangaglia, treasurer; J. Custer, secretary; J. Dietrich, president, and P. Walsh, vice-president.

In a rage, Malvina demands, "Where's my Daddy?"

"The Adorable Imp" by Jay Tobias is a hilarious tale of romantic entanglements complicated by a ghostly snowman. Betty Lou Gordon played the part of an eleven-year-old imp because her mother, Pamela, who was a pretty widow, told a wealthy admirer that she was only twenty-nine. Pamela invited the rich Dilworth Pickrell; his cousin, Ross Waldren; and Winston's ward, Imogene Van Rydon to spend the weekend. Betty Lou learned that Ross was the boy she fell in love with at first sight at a football game and plotted to keep Ross from proposing to haughty Imogene. Brian Braday, the next door neighbor, became jealous of Dilworth. Grandpa Winston developed a yen for Betty Lou's Grandmother, Abby, and Clint Prudy, Abby's old admirer, joined forces with Brian to obstruct the growing romances. The plot was further complicated by a snowman who walked and by Malvina Barday who threatened her father with dire calamities if he brought home a step-mother.

Doris, as Nancy Lee, takes the oath from Lou Martinage.

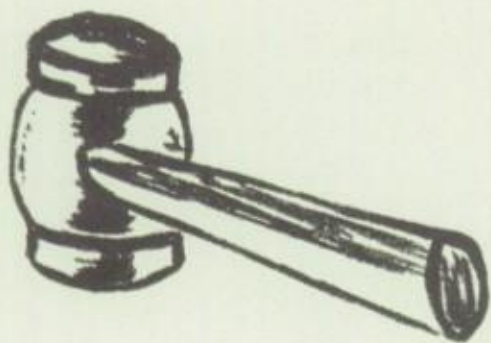

A three act play, *THE NIGHT OF JANUARY SIXTEENTH*, was presented by this year's senior class in November. The lead roles were played by Kathy Andrykovitch—accused murderess, Tom Claycomb—defense attorney, and Joel Kosmac—district attorney. Student directors were Karen Jones and Marsha Walters.

The play was a drama about a secretary who was being tried for the murder of her boss, a financier. The jury, selected from the audience, voted a verdict of not guilty.

The JETS Club, advised by Mr. Endler, is a revival of the chapter at the former Adams—Summerhill High School. The organization's goals are to stimulate interest in engineering and related fields, to acquaint students with men active in engineering, and to help the students examine their own abilities and interests in the area of engineering. A Science Fair, held March 28th and 29th, displayed the projects of participating members. Those entering projects in the fair attended a field trip to Penn State to tour places of interest.

MERIT SCHOLAR ANNOUNCED

A student at Forest Hills, Barbara Wolfhope, has been named a Semifinalist in the 1967-68 National Merit Scholarship Program. Semifinalists scored the highest in each state on the National Merit Scholarship Qualifying Test given last February. They constitute less than one percent of the graduating secondary school seniors in the nation. To be considered for Merit Scholarships, Semifinalists must advance to Finalist standing. Semifinalists become Finalists by receiving the endorsement of their schools, taking a second examination, and submitting information about their achievements and in

This year we herald the formation of a new Jets club and also the chartering of the highly-touted Humanitarian Club. It is also hoped that this year will see the Student Council become an integral part of the academic and social life of the school.

Due largely to unfortunate circumstances, last year's Council was but a shadow organization that never really developed the momentum a good organization needs if it is to serve the purpose for which it is conceived.

This author hopes this year will see a reactivation and a revitalization of the Council

The Forester Staff Worked All Through Fall . . .

With Mr. Wachter as advisor, the FORESTER staff worked steadily at Monday meetings, during study halls, and at home. Dianne Adams and Sam Dittmar, the co-editors, organized the various groups to do preliminary work. They determined the pictures to be taken, composed write-ups, wrote captions, and then combined these to make the layouts for all the pages. In December, February, and March, the staff rushed to meet deadlines.

Of all the people that helped us this past year, Mr. Keller did more than his share. He was a constant helper to the Senior Class. He took care of our class ring orders, led money-raising campaigns for the Pep Club and the Band, operated the concession stand at football and basketball games, and directed the Senior Play. Under his leadership, juniors sold magazine subscriptions to pay for the prom.

We, the Class of 1968, feel that it is only fair to recognize Mr. Keller for all that he has done for us.

We Wish to Thank . . .

Throughout the course of this year, many people aided us in the production of the 68 FORESTER. Mr. Wachter, our advisor, helped us constantly in the preparation of this yearbook. Without him we never could have finished it. The office secretaries provided student information and made announcements. Mr. Damico, through his students, supervised the artwork. Mr. Madigan sanctioned our project. Without the money from friends, benefactors, and patrons, financing our yearbook would have been difficult. We thank Cover Studios for taking and developing our pictures. Seniors Rita Horvath and Donna Kostick typed for us even though they were not on the staff. But most of all we acknowledge the support of the student body.
